Bose® 3•2•1™ GS Series III DVD Home Entertainment System.	Standard
Telephone jack.	Standard
12 volt auxiliary outlet in coach.	Standard
Electronic digital read-out wall thermostat that automatically controls the roof air and heat strip.	Standard
Sleek styled 15,000 B.T.U. high performance refrigerated roof air.	Standard
Integrated heat strip within roof air conditioner that produces 5,000 B.T.U. of warmth.	Standard
Additional safety features include: Smoke alarm, propane gas detector, carbon monoxide alarm, fire extinguisher, up to 7 emergency exits and flame retardant interiors.	Standard

EXTERIOR COACH FEATURES

Smooth exterior polyurethane laminated aircraft aluminum coach body panels that are durable, lighter weight and replaceable. Aluminum is non-flammable, unlike fiberglass, and offers superior appearance, and outstanding endurance. A Lazy Daze exclusive.	Standard
One piece painted aluminum roof that is U.V. resistant unlike rubber or non-painted fiberglass.	Standard
Coach exterior is painted (Full body paint) with durable, easy to maintain polyurethane paint. It is not prone to yellowing or chalking as is unpainted fiberglass, which is commonly used in the industry.	Standard
Streamline one-piece molded nose cone with no real front windows for improved aerodynamics, insulation, appearance and reliability.	Standard
Unitized cab to cab-over (no gap) for reduced wind resistance.	Standard

EXTERIOR COACH FEATURES CONTINUED

Exterior streamline radius corners (not square) for reduced wind resistance.	Standard
Hinged rear skirts that partially cover the rear dual wheels for improved aerodynamics and easy access to the tires. A Lazy Daze exclusive.	Standard
Attractive molded spare tire cover that is integrated into the rear coach wall. NOTE: The spare tire is stored within an exterior storage compartment.	Standard
1½" block polystyrene foam used as the primary insulation throughout the coach body floor, walls and roof.	Standard
30 foot 30 amp exterior power cord that detaches from motorhome body for added convenience.	Standard
Onan 4KW Microquiet gasoline generator.	Standard
Coach entry door with radius top corners, dead bolt, automotive style latch system, screen door, thermal pane window and roller shade.	Standard
Electric coach entry step with dual step platforms.	Standard
Convenient entry step well storage compartment.	Standard
Interior entry step light and exterior amber porch light.	Standard
Large thermal pane (approx. ¼ inch space between panes) windows surrounding the coach that are tinted, anti-glare safety glass and offer privacy during the day.	Standard
Galvanized steel underbelly pan.	Standard
Radius corner oversized exterior storage doors that utilize a self latching paddle style lock assembly. The paddle style lock assemble incorporates a dual latch system for a tighter seal.	Standard
Six generous sized exterior storage compartments that connect in pairs to create three "pass through" storage bays designed to accommodate longer items.	Standard
Enclosed and heated holding tank storage bay.	Standard
Holding tank rinse system with multiple built in spray heads.	Standard
Exterior city water hook-up. Includes a brass pressure regulator.	Standard
Exterior rear mounted roof ladder.	Standard
Sleek aerodynamic awning. Fabric and legs are stored within an aluminum housing, when closed, for maximum longevity. One person from the ground can easily operate awning.	Standard
Four Trojan T-145 house batteries on a convenient slide out tray. The fully charged combined output of this battery system provides 520 AH of power.	Standard
300 watts of solar power with a current boosting digital readout charge controller that charges the house batteries as well as the chassis battery.	Standard
Automatic enclosed semi-low profile dome digital satellite antenna.	Standard
Amplified Winegard roof mounted crank-up TV antenna with booster and outside cable hook-up.	Standard
Outside shower with insulated door.	Standard

INTERIOR/EXTERIOR COLORS

Choice of interior fabric color schemes in green, brown, black/gray, blue, red & blue/steel.	Standard
Choice of exterior accent colors in two-tone green, brown, blue, red or silver.	Standard
